

# Town of Uxbridge Sharps Disposal Program

## Drop-Off Details

- Available to Uxbridge residents only
- Sharps must be in acceptable collection containers
- All containers must be closed/locked at time of submission.
- Do not overfill containers. Containers must be locked!
- Coffee cans, detergent, bleach, milk or other types of containers will NOT be accepted.
- If your sharps are not in approved containers, you will be asked to take them home for transfer to approved containers.

## Acceptable Collection Containers

Home sharps will only be accepted in approved sharps collection containers. Approved sharps collection containers must meet the requirements of the federal Occupation Safety and Health Administration and be marked with the international biohazard symbol.

A limited number of free sharps collection containers in 1-quart and 5-quart sizes are available at the Board of Health Office. Please call for availability and details. Approved containers may be purchased at various local retailers, pharmacies and online.
