This meeting was called just to review Evergreen Acres newest plan with respect to the Joseph Richardson Cemetery and the Unnamed Cemetery off King Street.

The Committee members compared the past and present subdivision plans. We agreed that the Definitive Subdivision plan did take into account the concerns the Committee expressed at the November meeting.

The Historic cemetery Committee accepts the Evergreen Acres December 2, 2005 Definitive Subdivision Plan plot dimensions for the two cemetery locations pending clarification of the actual dimensions of the unmarked graves lot.
