Treasurer's Report

Marsha presented the Donation Account and discussed how the town accountant Justin would be itemizing the donations to mirror the expense budget. He will set up the line items to track the donations made monthly. The donation budget will reflect the MCOA conference amount for two attendees and reflect capital improvement allocations. Marsha will be asking for the senior car back from the assessors' office. This will allow the medicals to be provided by a car that will reduce gas cost. Also, we will get a volunteer to drive the car.

The 2010 Census numbers were provided to Marsha from the EOE. The 2000 Census reflected 1,432 residents age 60+ totaling=\$10,024.00 from the annual Formula Allocation. The 2010 Census reflects 2,524 residents age 60+ totaling=\$15,775.00 which is \$6.25 per elder for the annual Formula Allocation.
